EXPERIENCE

Software Engineering Intern | 06/19 - 09/19

Microsoft, Data + AI - Visual Studio | Redmond, WA
Actively contributed to launching, maintaining, and improving a machine learning contest platform while providing novel solutions for code completion.

IT Service Desk Agent | 03/19 - 06/19

Bellevue College IT Services | Bellevue, WA
Assisted students, faculty, and administrative staff in resolving various technology-related problems.

Student Government Treasurer | 09/18 - 06/19

Bellevue College Student Programs | Bellevue, WA
Responsible for the overall administration of the ASG budget with over \$500,000 from four different accounts.

Machine Learning Intern | 07/18 - 09/18

Port of Seattle | Pier 69 - Seattle, WA
Implemented a Facial Detection and Recognition system, a Convolutional Neural Network to classify handwritten digits, and an NLTK model to perform text sentiment analysis on Twitter tweets.

Lead Peer Advisor | 09/17 - 06/18

Bellevue College Welcome Center | Bellevue, WA
Guided over 200 students per academic quarter through giving Tours, Information Sessions, and New Student Orientations.

PROJECTS

- **Python Code Completion Model** | 07/19
Compact Prediction Tree, Seq2Seq ML Model, Python
- **PathFinding Visualization** | 03/19
Breadth-First Search, JavaScript, jQuery, HTML/CSS
- **Scraping Youtube Comments** | 02/19
Python, Selenium
- **Library Cataloguing System** | 10/18 - 11/18
Java, SQL, JDBC API
- **Personal Website** - datddo.com | 07/18 - Present
HTML/CSS, JavaScript, jQuery, PHP

EDUCATION

B.S. in Computer Science | 09/19 - Exp. 06/22

Paul G. Allen School | Univ. of Washington
Direct Admit to Major. 2019-2020 intended courses: Foundations of Computing, Data Structures & Parallelism, Hard/Software Interface, and more.

Associate in Arts & Sciences | 09/17 - 06/19

Bellevue College | Bellevue, WA
Academic Concentration in Mathematics
Honors: High Distinction (GPA: 3.92/4.0)

SKILLS & STRENGTHS

- Python
- Java
- JavaScript
- PHP
- HTML/CSS
- Git/Github
- Azure
- Persistent Problem Solver
- Curious & Passionate Student
- Detail Oriented Professional
- Fast & Adaptive Learner

AWARDS & CERTIFICATES

- Washington State Opportunity Scholar, WSOS, 2019
- University Scholarship - Seattle, University of Washington, 2019
- College Bound Scholarship, WSAC, 2019
- High Distinction Graduate, Bellevue College, 2019
- Certificate of Outstanding Achievement, Port of Seattle Internship, 2018
- Academic Internship Experience Scholarship, Bellevue College, 2018
- Computer Programming II (Java) - Career Skills Certificate, Superintendent of Public Instruction, 2016
